

## DLP Comparison Chart

Feature	Symantec DLP	Forcepoint DLP	McAfee DLP	Grayteq DLP
<b>Compatibility</b>				
Compatibility with Symantec products	✓	✗	✗	✓
Compatibility with Forcepoint products	✗	✓	✗	✓
Compatibility with McAfee products	✗	✗	✓	✓
Compatibility with Grayteq products	✗	✗	✗	✓
<b>Data Protection and Management</b>				
Data Protection	✓	✓	✓	✓
Client Self-defense	✓	✓	✓	✓
Single Console Security Management	✓	✓	✓	✓
Intrusion Prevention	✓	✓	✓	✓
Protection in Safe Mode (when client is booted in Safe Mode)	✗	✗	✓	✓
Protection Suspension when client is offline	✗	✗	✗	✓
<b>Device Management</b>				
Floppy, ZIP Drive, A Drive, etc.	With additional Symantec Endpoint Protection licenses only	✗	With additional McAfee Device Control licenses only	✓
CD/DVD/Blue Ray devices	With additional Symantec Endpoint Protection licenses only	✓	With additional McAfee Device Control licenses only	✓
IrDa Devices	With additional Symantec Endpoint Protection licenses only	✗	With additional McAfee Device Control licenses only	✓
Bluetooth devices	With additional Symantec Endpoint Protection licenses only	✓	With additional McAfee Device Control licenses only	✓
IEEE 1394 Firewire Devices	With additional Symantec Endpoint Protection licenses only	✗	With additional McAfee Device Control licenses only	✓
Serial Ports	With additional Symantec Endpoint Protection licenses only	✗	With additional McAfee Device Control licenses only	✓
Parallel Ports	With additional Symantec Endpoint Protection licenses only	✗	With additional McAfee Device Control licenses only	✓
USB Storage Devices	With additional Symantec Endpoint Protection licenses only	✓	With additional McAfee Device Control licenses only	✓
PCMCIA Adapters	With additional Symantec Endpoint Protection licenses only	✗	With additional McAfee Device Control licenses only	✓
Network Devices (Microsoft Windows Network)	With additional Symantec Endpoint Protection licenses only	✓	With additional McAfee Device Control licenses only	✓
Network Devices (Novell Network)	With additional Symantec Endpoint Protection licenses only	✗	✗	✓

DLP Comparison Chart

Feature	Symantec DLP	Forcepoint DLP	McAfee DLP	Grayteq DLP
<b>Storage Management</b>				
Read only mode	X	X	X	✓
Denied mode	X	X	X	✓
Storage recognition by Manufacturer	✓	✓	✓	✓
Storage recognition by Hardware ID	With Symantec DevViewer Tool only	X	X	✓
Automatic device recognition and update	✓	✓	✓	✓
<b>Application Management</b>				
Application Blacklist	With additional Symantec Endpoint Protection Application and Device Control licenses only. Built-in rules only.	X	With additional Application Control licenses only	✓
Application Whitelist	With additional Symantec Endpoint Protection Application and Device Control licenses only. Built-in rules only.	X	With additional Application Control licenses only	✓
Application Greylist	X	X	X	✓
<b>Application Network Management</b>				
Management for outgoing network connections	✓	✓	✓	X
Management for incoming network connections	✓	✓	✓	✓
<b>File System Management</b>				
File Create	X	X	X	✓
File Overwrite	X	X	X	✓
File Read/Open	X	X	X	✓
File Write/Modification	X	X	X	✓

### DLP Comparison Chart

Feature	Symantec DLP	Forcepoint DLP	McAfee DLP	Grayteq DLP
<b>File System Management</b>				
File Copy	X	At specific cases and for certain applications (like MS Office) only	X	✓
File Move/Rename	X	X	X	✓
File Delete	X	X	X	✓
File Execution (Run executable file)	With additional Symantec Endpoint Protection Application and Device Control licenses only	X	With additional Application Control licenses only	✓
File Copy and Paste	X	At specific cases and for certain applications (like MS Office) only	X	✓
File Classification by User	X	X	X	✓
File Printing	✓	✓	✓	✓
<b>User Activity Monitoring</b>				
Create	With additional Symantec Enterprise Security Manager licenses only	X	✓	✓
Overwrite	With additional Symantec Enterprise Security Manager licenses only	X	X	✓
Read/Open	X	X	X	✓
Write/Modification	With additional Symantec Enterprise Security Manager licenses only	X	X	✓
Copy	With additional Symantec Enterprise Security Manager licenses only	X	X	✓
Move/Rename	With additional Symantec Enterprise Security Manager licenses only	X	✓	✓
Delete	With additional Symantec Enterprise Security Manager licenses only	X	✓	✓
Execute Process	X	X	X	✓
Stop Process	X	X	X	✓
Copy and Paste	X	X	X	✓
Print	With additional Symantec Enterprise Security Manager licenses only	✓	✓	✓
Send (email or e-fax)	✓	✓	✓	✓

### DLP Comparison Chart

Feature	Symantec DLP	Forcepoint DLP	McAfee DLP	Grayteq DLP
<b>Encrypted Data Storing</b>				
Real-time encryption/decryption for stored data	With additional Symantec Endpoint Protection licenses only	✓	✓	✓
<b>Security notification and Alert</b>				
Security notification/Alert in case of breach	✗	✗	✗	✓
<b>Print Management</b>				
Print management and protection	✗	✗	✗	✓
<b>Location based Security policies</b>				
Location based Security policies and profiles	✗	✗	✗	✓
<b>Information Quarantine</b>				
User Access management	✗	✗	✗	✓
Application Access Management	✗	✗	✗	✓
Encrypted Data Transmission	With additional Symantec Endpoint Protection licenses and for email sending only	✗	✗	✓
<b>Client device Screenshot</b>				
In case of security breach	✗	✗	✗	✓
In any preset cases	✗	✗	✗	✓
